### Agreement

I understand that the goal of ACSA's rebate program is to introduce the concept of rainwater harvesting to ACSA water customers. By signing below I certify that the rain barrel has been installed and will continue to be used at this address. I understand that if, upon inspection, the ACSA finds the rain barrel is not installed, I will be charged the above amount on my utility bill. I have included a copy of the receipt(s) with this application.
