

## Addendum

### 2019 Truck Mounted Sewer Jetter

Solicitation No. 2019002-MN-B

The Albemarle County Service Authority has found the following items need to be revised for the 2019 Truck Mounted Sewer Jetter Bid that is scheduled for a formal bid opening on Wednesday, May 15, 2019 at 3:00 p.m. Below are the changes that shall be added and/or modified to the original specifications.

#### Section IV. Specifications

- **WATER PUMP** – The water pump shall be a minimum of 25 GPM due to the terrain in the Albemarle County service area.
- **AUXILIARY ENGINE** – The auxiliary engine shall be a minimum of 70 HP to properly operate the 25 GPM pump in an efficient manner. The auxiliary engine will have a clutch, so the engine can be disengaged from the pump for servicing.
- **BODY FRAME** – A minimum of 6” rail or framing will be used and bolted to the chassis frame using sheer plates and decking made of diamond tread plate steel for safety. The use of skid systems will not be allowed.

Should you have any questions, please contact Calvin Underwood, Operations Supervisor at 434-906-5799.
