2. PURPOSE: The Albemarle County Service Authority (A.C.S.A.) is seeking proposals from qualified firms for Janitorial Services at its Administration and Operations Center, located at 168 Spotnap Road, Charlottesville, Virginia, as well as the Maintenance offices located at 171 Spotnap Road, and a warehouse to begin August 1, 2020, in accordance with the Scope of Work specified in this Request for Proposal (RFP). Contract term may be renewable by agreement for an additional three (3) one (1) year terms. The ACSA will select a firm or individual to provide the services requested using the Competitive Negotiation Procedure as outlined in the Virginia Public Procurement Act.

II. BACKGROUND:

The Administration building is approximately 16,800 square feet and includes:

- Four restrooms (10 toilets, one waterless urinal, eight sinks, and two showers)
- One lunchroom (stove, microwave, sink, refrigerator and numerous tables/chairs)
- One Kitchenette (stove, sink, refrigerator)
- Two stairwells

The warehouse, for purposes of this contract, includes two restrooms (the men’s restroom has two toilets, two waterless urinals, three sinks and the ladies’ bathroom has one toilet and one sink) and has a total of 320 square feet.

The maintenance office building is a total of 1,365 square feet. It includes one restroom (1 toilet and sink), 1 kitchen (stove, microwave, refrigerator and sink). Flooring is a mix of linoleum and hardwood.

The basement level of the main office building includes 10% carpeted floors and 90% no wax tile flooring.

The upper level of the main office building includes 100% carpeted floors, with the exception of an entry foyer with commercial grade wooden parquet floors.

All restrooms include ceramic tile floors.

The proposer may inspect the facility during the hours of 8:00 a.m. to 5:00 p.m., prior to submitting a proposal. The contact person to schedule such inspection will be Billy Defibaugh, Facilities Supervisor, at (434) 977-4511, Ext. 133.

SCOPE OF SERVICES:

The janitorial contractor will provide all cleaning supplies and equipment; the ACSA will provide all paper supplies (toilet tissue, paper towels, trash bags and cups), hand washing soap and sand for outside receptacles. The ACSA will also supply chemical for waterless urinals (odor).

The following schedule describes the minimum level of services required. Evening cleaning is required, beginning no earlier than 5:00 p.m., with weekend work as necessary. Work cannot be performed in areas that would cause any distractions until after 5:30 p.m. Wood floors in the lobby area require additional care, and work may be required on weekends in this area, and may require a floor specialist.

1) A notebook will be provided in the janitorial closet for complaints from ACSA and a checklist for the Janitor to fill out on a monthly basis when tasks are completed. Any shortcomings or deficiencies noted are expected to be addressed immediately.

2) ACSA will require a quarterly walk through with Janitorial Representative for inspection of services rendered.

IV. PROPOSAL PREPARATION AND SUBMISSION INSTRUCTIONS:

A. GENERAL INSTRUCTIONS:

1. RFP Response: In order to be considered for selection, offerors must submit a complete response to this RFP. One (1) original and five (5) copies of each proposal along with an electronic copy of the proposal on CD or USB drive, either in Microsoft Word or PDF format must be submitted to the ACSA as a complete sealed proposal. No other distribution of the proposal shall be made by the offeror.

2. Proposal Preparation:
a. Proposals shall be signed by an authorized representative of the offeror. All information requested should be submitted. Failure to submit all information requested may result in the ACSA requiring prompt submission of missing information and/or giving a lowered evaluation of the proposal. Proposals which are substantially incomplete or lack key information may be rejected by the ACSA. Mandatory requirements are those required by law or regulation or are such that they cannot be waived and are not subject to negotiation.

b. Proposals should be prepared simply and economically, providing a straightforward, concise description of capabilities to satisfy the requirements of the RFP. Emphasis should be placed on completeness and clarity of content.

c. Proposals should be organized in the order in which the requirements are presented in the RFP. All pages of the proposal should be numbered. The proposal should contain a table of contents which cross-references the RFP requirements. Information which the offeror desires to present that does not fall within any of the requirements of the RFP should be inserted at an appropriate place or be attached at the end of the proposal and designated as additional material. Proposals that are not organized in this manner risk elimination from consideration if the evaluators are unable to find where the RFP requirements are specifically addressed.

d. As used in this RFP, the terms "must", "shall", "should" and "may" identify the criticality of requirements. "Must" and "shall" identify requirements whose absence will have a major negative impact on the suitability of the proposed solution. Items labeled as "should" or "may" are highly desirable, although their absence will not have a large impact and would be useful, but are not necessary. Depending on the overall response to the RFP, some individual "must" and "shall" items may not be fully satisfied, but it is the intent to satisfy most, if not all, "must" and "shall" requirements. The inability of an Offeror to satisfy a "must" or "shall" requirement does not automatically remove that Offeror from consideration; however, it may seriously affect the overall rating of the Offerors’ proposal.

e. Each copy of the proposal should be bound or contained in a single volume where practical. All documentation submitted with the proposal should be contained in that single volume.

f. Ownership of all data, materials, and documentation originated and prepared for the ACSA pursuant to the RFP shall belong exclusively to the ACSA and be subject to public inspection in accordance with the Virginia Freedom of Information Act. Trade secrets or proprietary information submitted by an offeror shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the offeror must invoke the protections of Virginia Code § 2.2-4342(F), in writing, either before or at the time the data or other material is submitted. The written notice must specifically identify the data or materials to be protected and state the reasons why protection is necessary. The proprietary or trade secret material submitted must be identified by some distinct method such as highlighting or underlining and must indicate only the specific words, figures, or paragraphs that constitute trade secret or proprietary information. The classification of an entire proposal document, line item prices, and/or total proposal prices as proprietary or trade secrets is not acceptable. See attachment D.

g. All costs of proposal preparation and presentation shall be borne by each offeror. The ACSA is not liable for any cost incurred by the offeror prior to issuance of a contract.

3. Demonstration: Offerors who submit a proposal in response to this RFP may be required to give a demonstration presentation of their product to the ACSA. This provides an opportunity for the offeror to clarify or elaborate on the feature. This is a fact finding and explanation session only and does not include negotiation. The ACSA accept the demonstrations in person, via email, or via webpage. Demonstration presentations are an option of the ACSA and may or may not be conducted.

4. Proposal shall include the following:
   The proposal verbiage must describe the firm’s qualifications to provide the requested products and/or services, and include the following:
   a. Description of the nature of the firm’s business; include a description of experience, competencies, and overall organizational capabilities.
b. Corporate organization chart indicating key management team members.
c. Number of years in business.
d. Description of the firm’s capabilities to provide the requested product(s)/service(s).
e. Description of the project staff structure, the background, qualifications and relevant experience of all staff involved in the project, including length of time at contractor; include the responsibilities that each staff member will have during the execution of this project.
f. Overview of approach and description of methodology to be used.
g. Description of project structure and detailed project timelines and phases (if applicable).
h. References: The proposer must provide five (5) independent references from five (5) different projects of similar scope, nature, and complexity to that requested by the ACSA. The ACSA prefers commercial building references/experience. Each of the references must include the following information:
   i. Entity Name
   ii. Industry Type
   iii. Address, City, Province/State/Country
   iv. Contact Name, Title, Phone Number, and Email address
   v. Year(s) service(s) provided
   vi. Comments (include details regarding the current status of the product/service provided by proposer)
i. Complete and return with your proposal, attachments A-D (E.M.S. Checklist and Manual forms will need to be completed by the awardee only).
j. For comparison and building security, proposal shall include total number of staff hours, per five (5) day week, Monday through Friday, to be spent cleaning and number of employees on site each day.

V. EVALUATION AND AWARD CRITERIA: This section is in two parts. The first part, “Evaluation Criteria,” explains how the proposals will be evaluated. The second part is the “Award of Contract” clause that states how the award will be made.

A. EVALUATION CRITERIA: Proposals shall be evaluated by the ACSA using the following criteria:

<table>
<thead>
<tr>
<th>Criteria</th>
<th>Point Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>Ability to provide appropriate level of staffing</td>
<td>35</td>
</tr>
<tr>
<td>Price</td>
<td>15</td>
</tr>
<tr>
<td>References</td>
<td>35</td>
</tr>
<tr>
<td>Experience in providing the services specified in this RFP</td>
<td>15</td>
</tr>
</tbody>
</table>

B. AWARD OF CONTRACT: The selection process shall be as per Virginia Code § 2.2-4301(3)(b) for the procurement of non-professional services. Selection shall be made of two or more offerors deemed to be fully qualified and best suited among all the offerors on the basis of the evaluation criteria, including price. Negotiations shall then be conducted with each of the offerors so selected. Price shall be considered but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the Executive Director or Purchasing Agent shall select the offeror which in their opinion has made the best
proposal, and shall award the contract to that offeror. Should the Executive Director or Purchasing Agent, as appropriate, determine in writing and in their sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that offeror.

VI. GENERAL TERMS AND CONDITIONS:

A. ADVERTISING: In the event a contract is awarded for supplies, equipment, or services resulting from this proposal, no indication of such sales or services to the ACSA will be used in product literature or advertising. The contractor shall not state in any of its advertising or product literature that the ACSA has purchased or uses any of its products or services, and the contractor shall not include the ACSA in any client list in advertising and promotional materials, unless the contractor has been given written permission by a ACSA representative who is authorized to sign on behalf of the ACSA.

B. ANNOUNCEMENT OF AWARD: Public notice of the award of this contract, or the announcement of the decision to award this contract, shall be given in the following manner: posting of a written notice on the ACSA webpage at www.serviceauthority.org.

C. NON-DISCRIMINATION: By submitting their proposals, offers certify to the ACSA that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginias with Disabilities Act, the Americans with Disabilities Act and Virginia Code § 2.2-4311. If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipients religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (Virginia Code § 2.2.4343.1(E)).

Every contract over $10,000 shall include the provisions:

1. During the performance of this contract, the contractor agrees as follows:
   1. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability or any other basis prohibited by law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
   2. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, shall state that it is an equal opportunity employer.
   3. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting these requirements.

2. The contractor will include the provisions of No. 1 above in every subcontract or purchase order over $10,000, so that the provision will be binding upon each subcontractor or vendor.

D. NON-DISCRIMINATION OF CONTRACTORS: A bidder, offeror, or contractor shall not be discriminated against in the solicitation or award of this contract because of race, religion, color, sex, national origin, age, disability, faith-based organizational status, any other basis prohibited by state law relating to discrimination in employment or because the bidder or offeror employs ex-offenders unless the ACSA has made a written determination that employing ex-offenders on the specific contract is not in its best interest. If the award of this contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.
E. **NON-DISCRIMINATION OF FAITH-BASED ORGANIZATIONS:** The ACSA does not discriminate against faith-based organizations.

F. **ANTITRUST:** By entering into a contract, the contractor conveys, sells, assigns, and transfers to the ACSA all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the ACSA under said contract.

G. **APPLICABLE LAWS & COURTS:** This procurement transaction, and any resulting contract, shall in all aspects be governed by the laws of the Commonwealth of Virginia, notwithstanding conflicts of laws, provisions and any litigation with respect thereto shall be brought in the Circuit Courts of Albemarle County, Virginia. The ACSA and the contractor are encouraged to resolve any issues in controversy arising from the award of the contract or any contractual dispute using the dispute resolution process contained within the Albemarle County Service Authority Purchasing Manual, Chapter 26-3. The contractor shall comply with all applicable federal, state and local laws, rules and regulations.

H. **ASSIGNMENT OF CONTRACT:** A contract shall not be assignable by the contractor in whole or in part without the written consent of the ACSA.

I. **AVAILABILITY OF FUNDS:** It is understood and agreed between the parties herein that the ACSA shall be bound hereunder only to the extent of the funds available or which may hereafter become available for the purpose of this agreement.

J. **PROPOSAL ACCEPTANCE:** Proposals must be submitted by the date and time stated in this solicitation. Proposals will be date and time stamped upon receipt and retained unopened in a secure location until proposal opening. No consideration will be given to date of postmark or error in delivery to incorrect address. It is the responsibility of the offeror to ensure timely and correct delivery of proposal.

K. **PROPOSAL ACCEPTANCE PERIOD:** Each proposal submitted must be and remain valid for a period of at least sixty (60) days from opening date.

L. **CHANGES TO THE CONTRACT:** Changes can be made to the contract in any of the following ways:

1. The parties may agree in writing to modify the scope of the contract. An increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the contract. No fixed price contract may be increased by more than twenty percent (25%) or $50,000, whichever is greater, of the amount of the contract without the advance approval of the ACSA Finance Director or designee, and under no circumstances may the amount of this contract be increased, without adequate consideration, for any purpose (including, but not limited to, relief of the Contractor from the consequences of an error in its bid or offer).

2. The ACSA may order changes within the general scope of the contract at any time by written notice to the contractor. Changes within the scope of the contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The contractor shall comply with the notice upon receipt. The contractor shall be compensated for any additional costs incurred as the result of such order and shall give the ACSA a credit for any savings. Said compensation shall be determined by one of the following methods:
   a. By mutual agreement between the parties in writing; or
   b. By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the contractor accounts for the number of units of work performed, subject to the ACSA’s right to audit the contractor’s records and/or to determine the correct number of units independently; or
   c. By ordering the contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The contractor shall present the ACSA with all vouchers and records of expenses incurred and savings realized. The ACSA shall have the right to audit the records of the contractor.
as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the ACSA within thirty (30) days from the date of receipt of the written order from the ACSA. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this contract. Neither the existence of a claim nor a dispute resolution process, litigation or any other provision of this contract shall excuse the contractor from promptly complying with the changes ordered by the ACSA or with the performance of the contract generally.

M. CLARIFICATION OF TERMS: The ACSA will assume no responsibility for oral instructions, suggestion or interpretation. Any question regarding the proposal documents and/or scope of work/specifications shall be directed to the Finance Department and any material change will be submitted to all offerors through issuance of an addendum. Any questions related to this RFP MUST be submitted to the bdefibaugh@serviceauthority.org no fewer than seven (7) work days prior to the proposal opening date specified. Questions should be in writing and electronic transmission is preferred. Questions submitted beyond the time specified above may be left unanswered if sufficient time does not allow a response to all prospective offerors without causing an unacceptable delay in the process. Any contact with any ACSA representative, other than that outlined within this solicitation, concerning this RFP is prohibited. Such unauthorized contact may disqualify your firm from this procurement.

N. CONFIDENTIALITY OF PERSONALLY IDENTIFIABLE INFORMATION: The contractor assures that information and data obtained as to personal facts and circumstances related to patients or clients will be collected and held confidential, during and following the term of this agreement, and will not be divulged without the individual’s and the ACSA’s written consent and only in accordance with federal law or the Code of Virginia. Contractors who utilize, access, or store personally identifiable information as part of the performance of a contract are required to safeguard this information and immediately notify the ACSA of any breach or suspected breach in the security of such information. Contractors shall allow the ACSA to both participate in the investigation of incidents and exercise control over decisions regarding external reporting. Contractors and their employees working on this project may be required to sign a confidentiality statement.

O. CONTRACTOR’S FORMS/BOILERPLATE CONTRACTS: All written agreements, contracts, service agreements, account applications, forms and other documents, of any nature, that the Contractor would require the ACSA to sign in connection with any contract resulting from this procurement transaction, or the performance thereof by the Contractor, must be submitted along with the Contractor’s proposal. Under no circumstances shall the ACSA be required to agree to any contractual provision (i) that would materially conflict with any provision of this request for proposals, (ii) that would affect the price, quality, quantity or delivery schedule for any goods or services, or (iii) that would, in the ACSA’s sole discretion, materially alter the overall combination of quality, price and various elements of required services that in total are optimal relative to the ACSA’s needs, and the Contractor shall not condition its performance or delivery upon any such agreement by the ACSA.

P. CONTRACTUAL CLAIMS: Contractual claims, whether for money or other relief, shall be submitted in writing no later than 60 days after final payment; however, written notice of the contractor’s intention to file a claim shall be given at the time of the occurrence or beginning of the work upon which the claim is based. The ACSA has established an administrative procedure for consideration of contractual claims, and a copy of such procedure is available upon request from the ACSA’s Finance Department. Contractual disputes shall also be subject to the provisions of Virginia Code §2.2-4363(D) and (E) (exhaustion of administrative remedies) and §2.2-4364 (legal actions).

Q. DEBARMENT STATUS: By submitting their proposals, offerors certify that they are not currently debarred by the Commonwealth of Virginia from submitting bids or proposals on contracts for the type of goods and/or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.

R. DEFAULT: In case of failure to deliver goods or services in accordance with the contract terms and conditions, the ACSA, after due oral or written notice, may procure them from other sources and hold the contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which the ACSA may have.
S. **DESIGNATED PERSONNEL:** The personnel designated in the management summary for key positions shall not be changed except with the permission of the ACSA. Contractor may not substitute other staff or individual(s) without the prior, express written consent of the ACSA. The ACSA shall not be required to consent or accept any substitution(s) if to do so would require an increase in the compensation due the Contractor under this Agreement, or a reduction in the quantity or quality of the Service by this Agreement, as determined in the ACSA’s sole discretion.

T. **DRUG-FREE WORKPLACE:** Pursuant to Virginia Code § 2.2-4312, during the performance of this contract the contractor agrees as follows: (i) to provide a drug-free workplace for the contractor’s employees; (ii) to post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor’s workplace and specifying the actions that will be taken against employees for violations of such prohibition; and (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontractor or vendor. For the purposes of this paragraph, “drug-free workplace” means a site for the performance of work done in connection with the contract awarded to a contractor in accordance with this procurement transaction, where the contractor’s employees are prohibited from engaging in the unlawful manufacture, sale distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

U. **ETHICS IN PUBLIC CONTRACTING:** Pursuant to Virginia Code § 2.2-4367: By submitting a proposal, the offeror certifies that their proposal is made without collusion of fraud and that they have not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer or subcontractor in connection with their proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

V. **HEADINGS:** Section, article and paragraph headings contained within this Request for Proposals have been inserted only as a matter of convenience and for reference, and they in no way define, limit, or describe the scope or intent of any term, condition or provision of this Request for Proposals.

W. **IDLING REDUCTION REQUIREMENT:** For any work performed within the City of Charlottesville, contractors are required to comply with the City of Charlottesville’s Idling Reduction Policy for Motor Vehicles and Equipment, policy number 100-12. This policy is available at [www.charlottesville.org/purchasing](http://www.charlottesville.org/purchasing) under the Vendor Registration link.

X. **IMMIGRATION REFORM AND CONTROL ACT OF 1986:** By entering into a written contract with the ACSA, the Contractor certifies that the Contractor does not, and shall not during the performance of the contract for goods and services in the Commonwealth, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.

Y. **INCLEMENT WEATHER/CLOSURE OF ACSA OFFICES:** If the ACSA is closed for business at the time scheduled for proposal opening, for whatever reason, sealed proposals will be accepted and opened on the next scheduled business day, at the originally scheduled time.

Z. **INDEMNIFICATION:** Pursuant to Virginia law, the ACSA may not indemnify any party for any purpose. Any provisions in this agreement providing to the contrary are hereby deleted.

AA. **OSHA STANDARDS:** All contractors and subcontractors performing services for the ACSA are required and shall comply with all Occupational Safety and Health Administration (OSHA), State and ACSA Safety and Occupational Health Standards and any other applicable rules and regulations. Also, all contractors and subcontractors shall be held responsible for the safety of their employees and any unsafe acts or conditions that may cause injury or damage to any persons or property within and around the work site area under this contract.

BB. **OWNERSHIP OF DOCUMENTS:** All information, documents, and electronic media furnished by the ACSA to the Contractor belong to the ACSA, are furnished solely for use in connection with the Contractor’s performance of Services required by this Agreement, and shall not be used by the Contractor on any other
project or in connection with any other person or entity, unless disclosure or use thereof in connection with any matter other than Services rendered to the ACSA hereunder is specifically authorized in writing by the ACSA in advance. All documents or electronic media prepared by or on behalf of the Contractor for the ACSA are the sole property of the ACSA, free of any retention rights of the Contractor. The Contractor hereby grants to the ACSA an unconditional right of use, for any purpose whatsoever, documents or electronic media prepared by or on behalf of the Contractor pursuant to this Agreement, free of any copyright claims, trade secrets, or any other proprietary rights with respect to such documents.

CC. PAYMENT:

1. To Prime Contractor:

   a. The ACSA shall promptly pay for completed delivered goods or services by the required payment date. The required payment date shall be either: (i) the date on which payment is due under the terms of a contract for the provision of goods or services, or (ii) if a date is not established by contract, not more than 45 days after goods or services are received or not more than 45 days after an invoice is rendered, whichever is later. Separate payment dates may be specified for contracts under which goods or services are provided in a series of partial executions or deliveries to the extent that the contract provides for separate payment for partial execution or delivery. Within 20 days after the receipt of an invoice for goods or services, the ACSA shall notify the supplier of any defect or impropriety that would prevent payment by the required payment date. In the event that the ACSA fails to make payment by the required payment date, the ACSA shall pay any finance charges assessed by the supplier that shall not exceed one percent per month. In cases where payment is made by mail, the date of postmark shall be deemed to be the date payment is made.

   b. Individual contractors shall provide their social security numbers, and proprietorships, partnerships, and corporations shall provide the ACSA with a federal employer identification number, prior to receiving any payment from the ACSA.

   c. Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the ACSA contract number and/or purchase order number.

   d. All goods or services provided under this contract or purchase order, that are to be paid for with public funds, shall be billed by the contractor at the contract price, regardless of which ACSA department is being billed.

   e. **Unreasonable Charges.** Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the ACSA shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve a ACSA department of its prompt payment obligations with respect to those charges which are not in dispute (Virginia Code § 2.2-4363).

2. To Subcontractors:

   a. A contractor awarded a contract under this solicitation is hereby obligated:

      (1) To pay the subcontractor(s) within seven (7) days of the contractor’s receipt of payment from the ACSA for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or

      (2) To notify the ACSA and the subcontractor(s), in writing, of the contractor’s intention to withhold payment and the reason.

   b. The contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the contractor that remain unpaid seven (7) days following receipt of payment from the ACSA, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is
deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor’s obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the ACSA.

DD. PAYMENT TERMS: Proposal must clearly state payment terms desired. Such terms as proposed shall be negotiable.

EE. PERMITS AND FEES: All proposals submitted shall have included in price the cost of any business or professional licenses, permits or fees required by the ACSA, the County of Albemarle, or the Commonwealth of Virginia. The offeror must have all necessary licenses to perform the services in Virginia and, if practicing as a corporation, be authorized to do business in the Commonwealth of Virginia.

FF. PRECEDENCE OF TERMS: The following General Terms and Conditions: APPLICABLE LAWS AND COURTS, ANTI-DISCRIMINATION, ETHICS IN PUBLIC CONTRACTING, IMMIGRATION REFORM AND CONTROL ACT OF 1986, DEBARMENT STATUS, ANTITRUST, MANDATORY USE OF ACSA FORM AND TERMS AND CONDITIONS, CLARIFICATION OF TERMS, PAYMENT shall apply in all instances. In the event there is a conflict between any of the other General Terms and Conditions and any Special Terms and Conditions in this solicitation, the Special Terms and Conditions shall apply.

GG. PUBLIC INSPECTION OF CERTAIN RECORDS: Except as otherwise provided, and in accordance with Virginia Code §2.2-4342, all proceedings, records, contracts and other public records relating to the ACSA’s procurement transactions shall be open to the inspection of any citizen, or any interested person, firm or corporation, in accordance with the Virginia Code §2.2-3700 et seq. Any offeror, upon request, shall be afforded the opportunity to inspect proposal records within a reasonable time after interviews and negotiations are completed, but prior to award, except in the event the ACSA decides not to accept any of the proposals and to reopen the contract. Otherwise, proposal records shall be open to public inspection only after award of the contract. Trade secrets or proprietary information submitted by an offeror in connection with this procurement transaction shall not be subject to the Virginia Freedom of Information Act, but only if the offeror (i) invokes the protections of Virginia Code §2.2-4342 prior to or upon submission of the data or other materials; (ii) identifies the specific data or other materials to be protected, and (iii) states the reasons why protection is necessary. A general designation of a contractor’s entire proposal submission as being “confidential” shall not be sufficient to invoke the protections referenced above.

HH. QUALIFICATIONS OF OFFERORS: The ACSA may make such reasonable investigations as deemed proper and necessary to determine the ability of the offeror to perform the services/furnish the goods and the offeror shall furnish to the ACSA all such information and data for this purpose as may be requested. The ACSA reserves the right to inspect offeror’s physical facilities prior to award to satisfy questions regarding the offeror’s capabilities. The ACSA further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such offeror fails to satisfy the ACSA that such offeror is properly qualified to carry out the obligations of the contract and to provide the services and/or furnish the goods contemplated therein.

II. CONTRACTOR’S CONDUCT AND PERFORMANCE: The Contractor’s Supervisor shall be responsible for the conduct and performance of the Contractor’s employees and compliance with the following rules:

a. Contractor’s employees appearing to be under the influence of alcohol or drugs shall not be permitted in the building
b. No loud or boisterous conduct will be permitted
c. Contractor’s employees will not open desk drawers or cabinets at any time
d. A.C.S.A. buildings are “smoke-free”. No use of tobacco products will be allowed except within designated areas outside
e. No one is permitted in any A.C.S.A. building other than the contractor’s employees during the performance of this contract
f. The A.C.S.A. reserves the right to request the removal of any of the Contractor’s employees from the building at any time for reasonable cause. The Contractor or the Designated Supervisory representative shall have such employees leave the facility premises upon receipt of such request

JJ. RIGHT TO ACCEPT OR REJECT OFFERORS: The ACSA reserves the right to accept or reject any or all proposals in whole or in part.
KK. SMALL BUSINESS SUBCONTRACTING AND EVIDENCE OF COMPLIANCE: It is the policy of the ACSA to facilitate the establishment, preservation and strengthening of small businesses and businesses owned by women and minorities and service disabled veterans and to encourage their participation in the ACSA’s procurement activities. Toward that end the ACSA encourages these firms to compete and encourages other firms to provide for the participation of these firms through partnerships, joint ventures, subcontracts or other contractual opportunities. **Offerors are asked, as part of their submission, to describe any planned use of such business in fulfilling this contract.**

LL. STATE CORPORATION COMMISSION IDENTIFICATION NUMBER: Pursuant to the Virginia Code §2.2-4311.2 (B), a bidder or offeror organized or authorized to transact business in the Commonwealth pursuant to Title 13.1 or Title 50 is required to include in its bid or proposal the identification number issued to it by the State Corporation Commission (SCC). Any bidder or offeror that is not required to be authorized to transact business in the Commonwealth as a foreign business entity under Title 13.1 or Title 50 or as otherwise required by law is required to include in its bid or proposal a statement describing why the bidder or offeror is not required to be so authorized. Link to the Virginia State Corporation Commission site: [http://www.scc.virginia.gov/](http://www.scc.virginia.gov/).

MM. TAXES: Include only taxes applicable to the project in this proposal. The ACSA is exempt from State Sales Tax and Federal Excise Tax. Tax Exemption Certificate indicating the ACSA’s tax exempt status will be furnished by the ACSA upon request.

NN. TESTING AND INSPECTION: The ACSA reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications.

OO. TRANSPORTATION AND PACKAGING: All prices submitted must be FOB Destination - Freight Prepaid and Allowed. By submitting their proposals, all offerors certify and warrant that the price offered for FOB destination includes only the actual freight rate costs at the lowest and best rate and is based upon the actual weight of the goods to be shipped. Except as otherwise specified herein, standard commercial packaging, packing and shipping containers shall be used. All shipping containers shall be legibly marked or labeled on the outside with purchase order number, commodity description, and quantity.

PP. USE OF BRAND NAMES: Unless otherwise provided in this solicitation, the name of a certain brand, make or manufacturer does not restrict offerors to the specific brand, make or manufacturer named, but conveys the general style, type, character, and quality of the article desired. Any article which the ACSA, in its sole discretion, determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The offerer is responsible to clearly and specifically identify the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable the ACSA to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make or manufacturer specified. Adequate data for evaluation purposes must be provided. Unless the offerer clearly indicates in its proposal that the product offered is an equal product, such proposal will be considered to offer the brand name product referenced in the solicitation.

QQ. The terms and conditions set forth above within this Request for Proposals shall be deemed incorporated into any contract resulting from this procurement transaction, as if set forth therein verbatim.

VII. SPECIAL TERMS AND CONDITIONS:

A. AUDIT: The Contractor hereby agrees to retain all books, records, systems, and other documents relative to this contract for five (5) years after final payment, or until audited by the ACSA, whichever is sooner. The ACSA and its authorized agents shall have full access to and the right to examine any of said materials during said period.

B. CANCELLATION OF CONTRACT: The ACSA may terminate any agreement resulting from this solicitation at any time, for any reason or for no reason, upon thirty days’ advance written notice to the Contractor. In the event of such termination the Contractor shall be compensated for services and work performed prior to termination.

VIII. METHOD OF PAYMENT: Payment will be made at completion of project, upon receipt of a valid invoice, and for additional services as ordered and agreed at time of order within 45 days of invoice date, unless specified differently in the contract.

A. If the ACSA provides the selected vendor with a written warning that minimum hours are not being maintained or cleaning requirements are not being met and the selected vendor does not resolve the issue within 48 hours, ACSA reserves the right to have the ACSA maintenance department and/or a third-party vendor arrive on-site to resolve the cleaning inadequacies. If this occurs, the ACSA may either bill the selected vendor for the costs incurred or discount the selected vendor’s invoice for its expenses.
