Comments:

This documentation must be submitted prior to paying connection fees. Plumbing fixture counts are required for all meters except those that serve one (1) single family home. Connection fees provided by the ACSA are based on the fees in effect at the time of the quote. All fees are subject to change. Connection fees assessed by the ACSA are based on the fees in effect at the time of payment. **Connection fees cannot be paid until the County of Albemarle has issued a building permit.**
