FOR IMMEDIATE RELEASE

BOIL WATER OR BOTTLE USE ADVISORY **LIFTED** RT. 29 NORTH NEAR AIRPORT ROAD

December 26, 2025 - Charlottesville, Virginia — Due to a water main break along Route 29 near the North Fork Rivanna River, low pressure occurred in the water system. As a precaution, the following Albemarle County Service Authority customers were advised to boil all tap water used for drinking and cooking or alternatively use bottled water. Areas covered by the advisory included:

Hollymead Town Center (Comm. & Residential)	Willow Glen
Forest Springs Mobile Home Park	Airport Acres
Charlottesville-Albemarle Airport	Dickerson Road
Berkmar Landing Apartments	Airport Road
Deerwood Subdivision	Northside Drive
North Fork Research Park	Quail Run
Cedar Hill Mobile Home Park	Hunterstand Court
Timberwood Square	Gateway Circle
Rivers Edge Lane	Dobleann Drive
North Pointe	Moubry Lane
Proffit Road Townhomes	Worth Crossing
Forest Lakes Commercial	Forest Grove

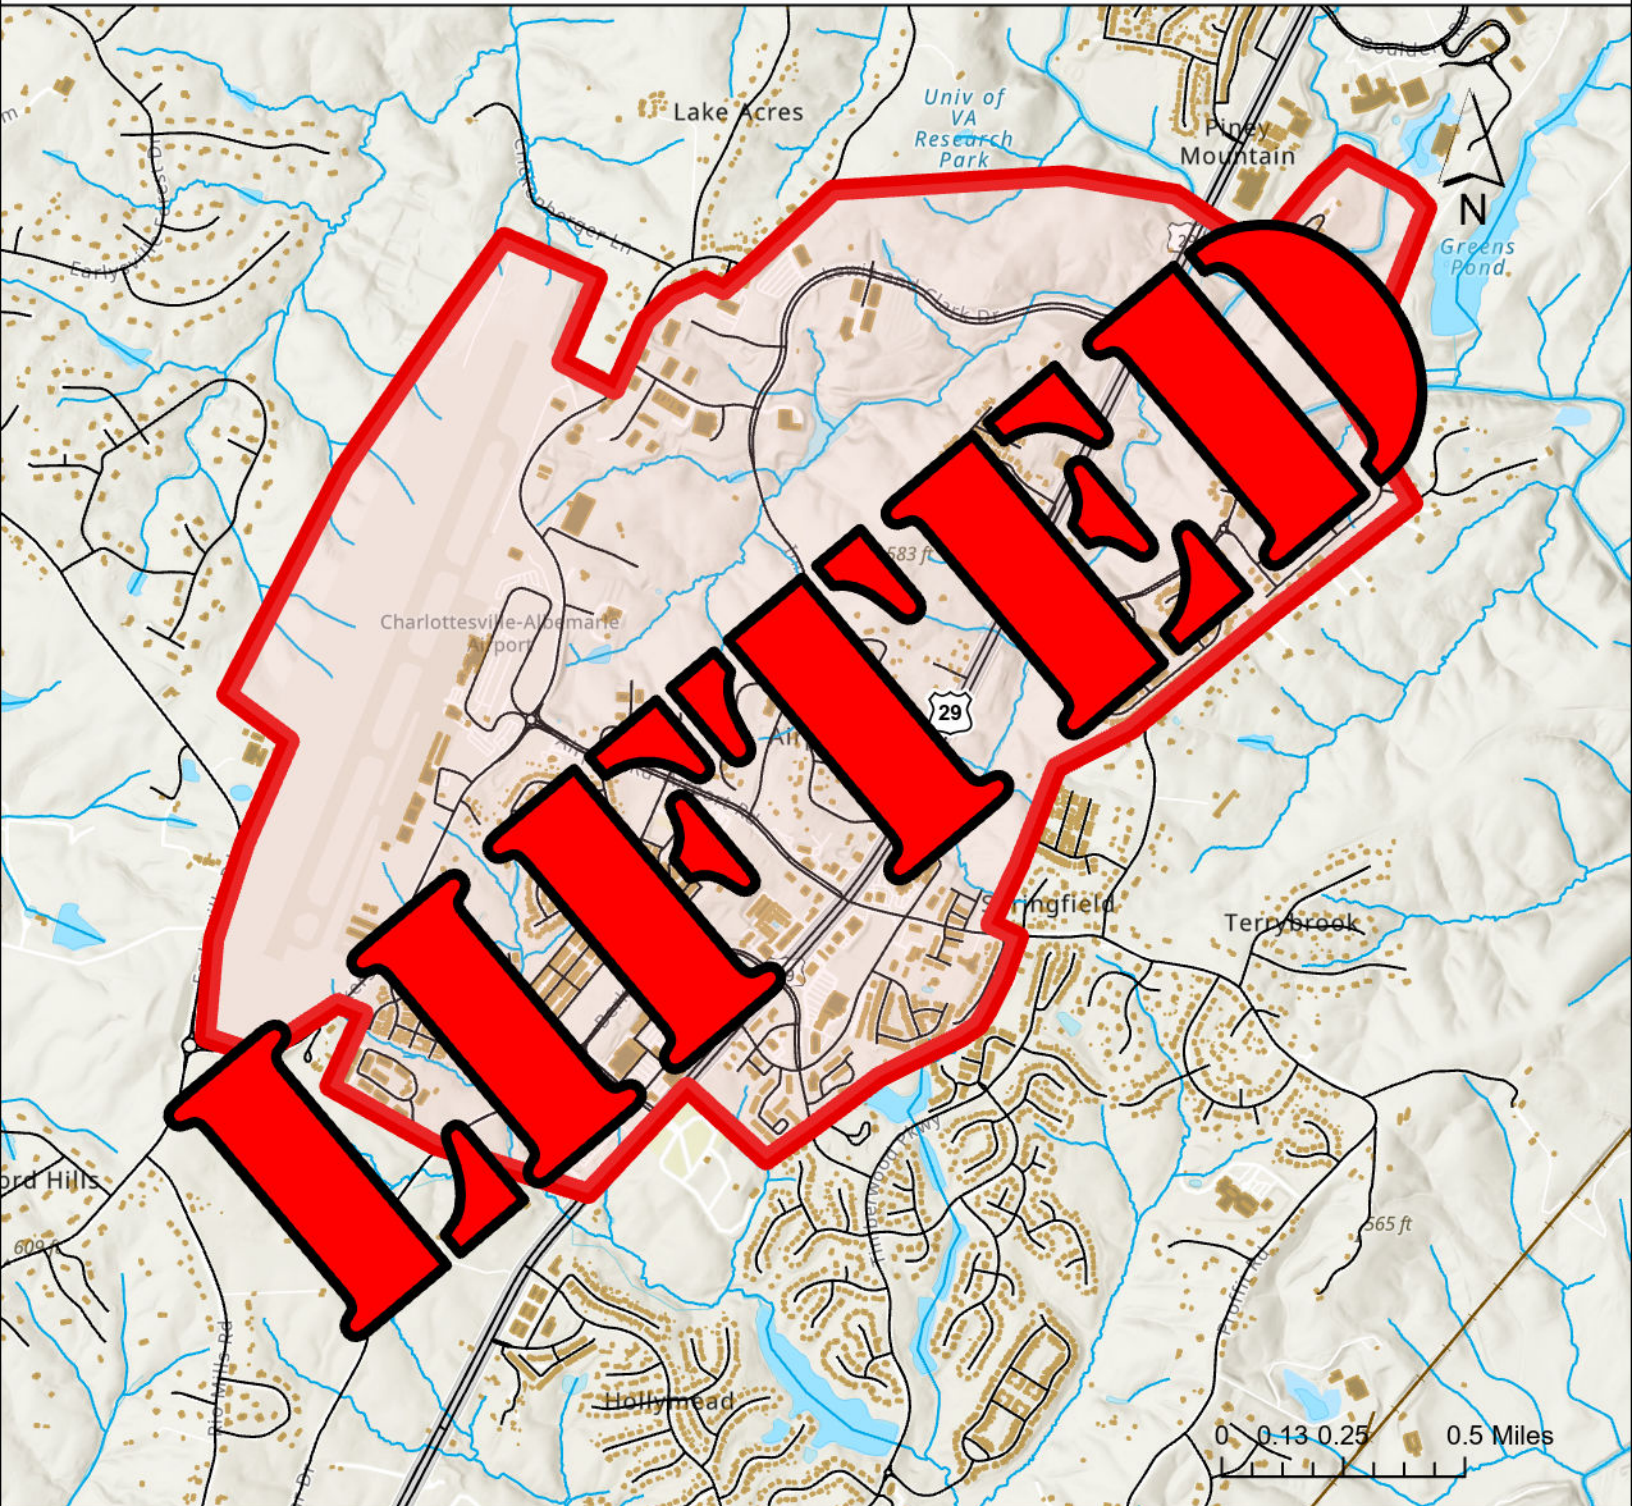

See ***attached map*** for more detailed location information.

The Albemarle County Service Authority is pleased to report that water service has been fully restored and subsequent water quality testing shows the water quality to be safe. **THE BOIL WATER ADVISORY IS LIFTED**, and it is no longer necessary to boil your water before using. The following measures are strongly encouraged at this time:

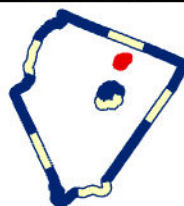

- Empty and clean your automatic ice makers and water chillers.
- Service connections with a water softener/cartridge filter should be run through a regeneration cycle or other procedures recommended by the manufacturer.

We apologize for any inconvenience and thank you for your patience. Please contact our office at (434) 977-4511 if problems persist. You may also visit our website at www.serviceauthority.org for additional information.
